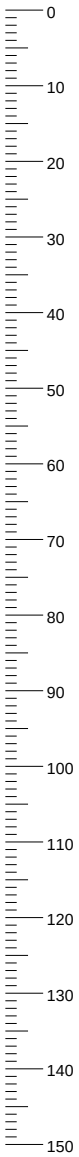
ReFit / FIT SHEET v1

A4 - print at 100% / Actual size

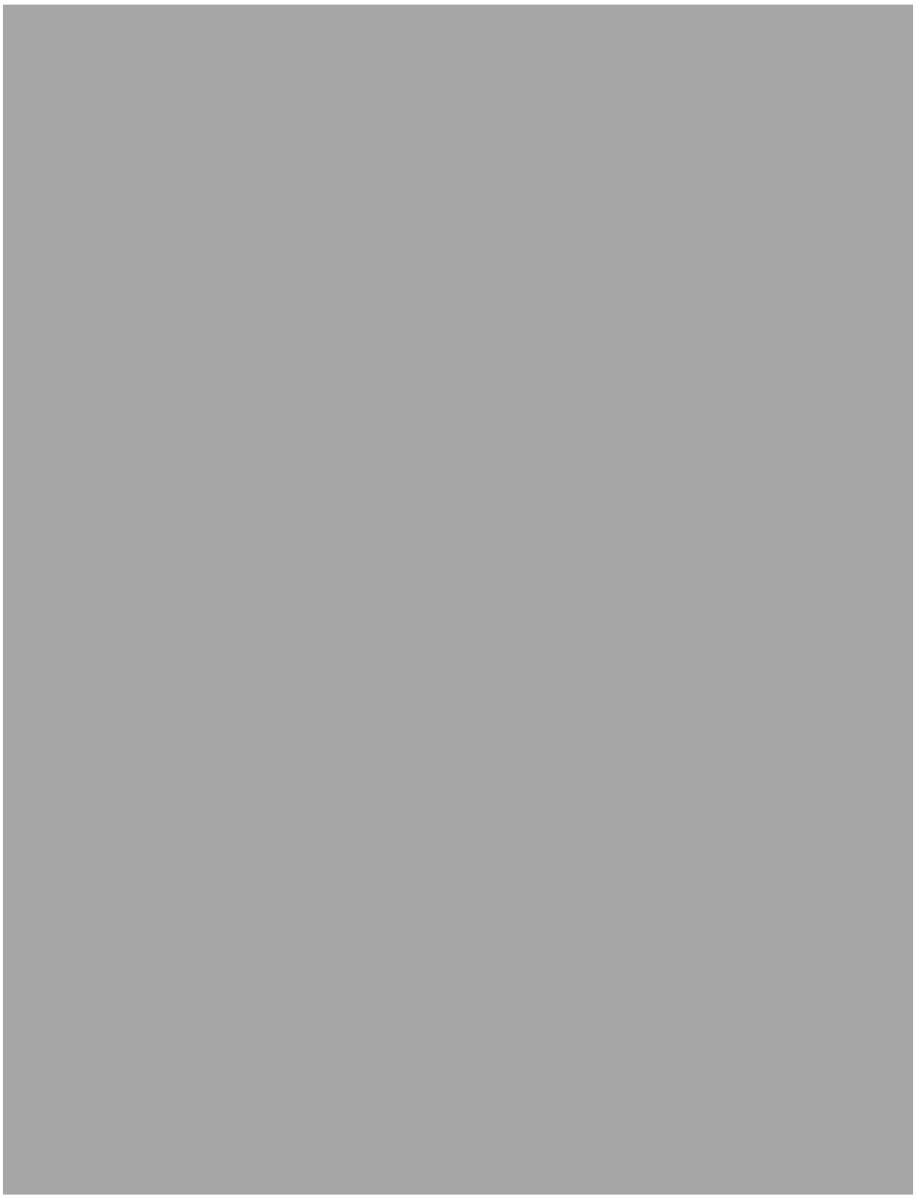
Disable Fit to page. Keep the sheet flat.

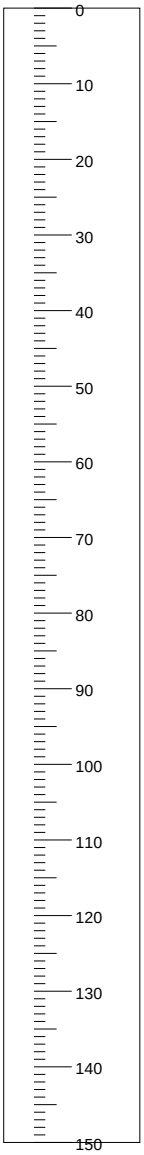
Overhead photo; all markers visible; diffuse light.

Place the object inside the gray area.



mm ruler





Cut-out strip

Scale check: bank/ID card must match BOTH axes.

85.60 x 53.98 mm

Compare a card, or measure the box.

Do not photograph personal card details.

Mismatch? Reprint at Actual size.

Check scale before use. Photos do not reveal hidden thickness.

For drawers: sheet and mounting holes must share the same plane.

Not a medical device. Confirm fit with physical measurements.
